Last update: 11.08.2022

Planned interruptions/maintenances 2022

The following schedule gives an overview of unavailabilities due to maintenance work of all bookable points on Gasunie's gas transportation system, with possible contract-relevant capacity reductions. This Information will be updated in due time beforehand. In the event of any scheduled maintenance work planned in advance the information will be available no later than 15 business days before any such restriction occurs. No responsibility is taken for the correctness of the data and exclusions of liability of Gasunie Deutschland Transport Services GmbH.

Planned maintenance measures with possible contract relevant capacity reduction

Net connection point / system sections	Location ID		Period				Likelihood of restriction	Remarks
	GUD	EIC	Start		End
